Polycarbonate and Trivex meet the ANSI Standard as Impact Rated Protectors when inserted into an impact rated frame.

WARRANTY

3M Company will replace any defective products at no charge if the following conditions occur within one year from date of purchase:

- Lens breakage (not a warranty against scratches)
- Frame breakage
- Coating failure (peeling or crazing)
- Corrosion of any frame component

Warranties apply provided that no abnormal or excessive abuse is evident. Product must be returned to 3M.

Extended Warranty: 3M frames in Group G and G PLUS are guaranteed for 2 years subject to the conditions above.

POLICIES & PROCEDURES

3M No-FAULT POLICY

3M will process a change with a simple telephone call from the Eye Care Professional. This policy expedites the reorder process and ensures that the eye glass wearer receives their replacement eyewear promptly.

PRESCRIPTION CHANGES

Any request for changes to a prescription, due to a doctor’s or optician’s change, will be processed according to the following policy:

- 1) 3M will replace any prescription or order change at no charge if the change is equal to or less than the original. A request for a more expensive replacement will require a charge for the difference in price. Subsequent prescription changes or order changes for the same eye glass wearer will be charged at 100%.
- 2) 3M will charge 50% on any prescription change or optician change request after 60 days from purchase.

TERMS & CONDITIONS

Terms: Net 30 Days EOM • Prices are subject to change without notice. • A 10% administration fee will be added to items selected as employee co-pay. Prices do not include applicable sales tax. Annual purchases must exceed \$2500.
