

Introducing....

NEW The AOSafety®
PROTECTION CENTER

Give Your Safety Program the Attention It Deserves

Push **SAFETY front** and **center** with the new AOSafety Protection Center. AOSafety presents an ideal way to showcase your safety products with an innovative sturdy, yet lightweight display designed to complement any retail area.

Showcase a full array of AOSafety products with this compact, mobile display while educating the consumer on the importance of safety products!

This stylish, durable metal display is destined to impress - featuring wire mesh sides with colorful graphic panels highlighting popular AOSafety products. The AOSafety Protection Center includes coordinating header panel with action model shots.

Get this display FREE with the purchase of \$650 in AOSafety products or with purchase of the standard planogram (see back). In addition, receive 50 FREE Consumer Educational brochures and brochure holder with a qualifying product purchase*.

Small Footprint

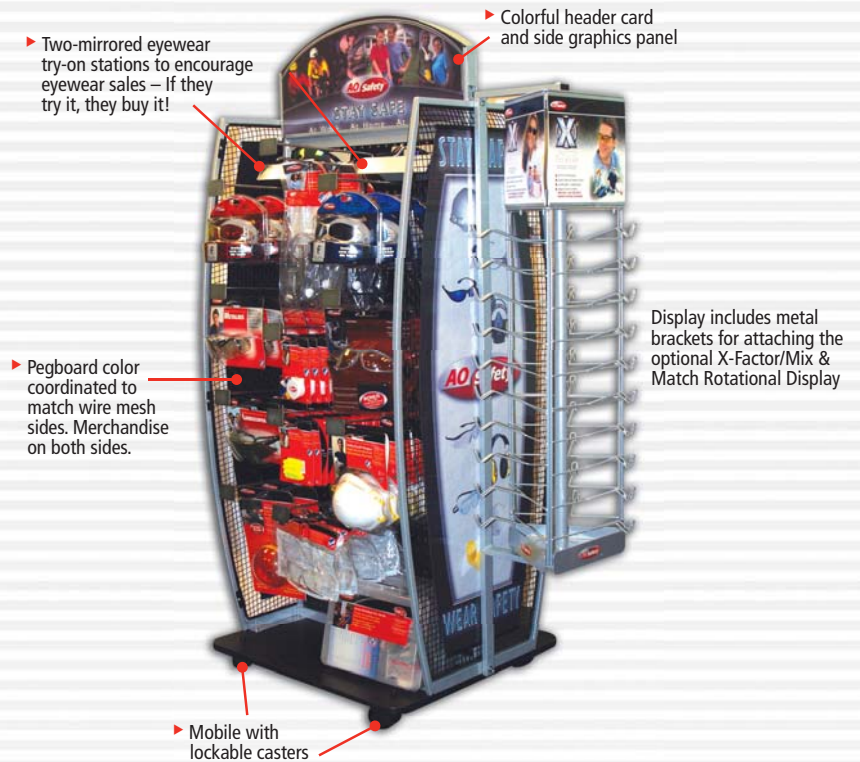

Dual sided unit is only 2 ft. wide, 22" deep (at the widest point) and 59" tall (with Header Signage). It comes with simple instructions and is a snap to assemble.
