

Introducing....

Safety Readers Display

Another Safety Eyewear Display Innovation from AOSafety.

Once again, AOSafety has escalated your Safety Eyewear display options with this new **Safety READERS Display** – designed to compel your customers to stop, try and buy.

This display is engineered to hold 24 Safety Readers – 8 of each power (91191, 91192, & 91193). The sturdy metal display is easy to set up - attach to pegboard or place on a wire power wing rack, pop in the three Safety READER boxes and you're ready to start making sales.

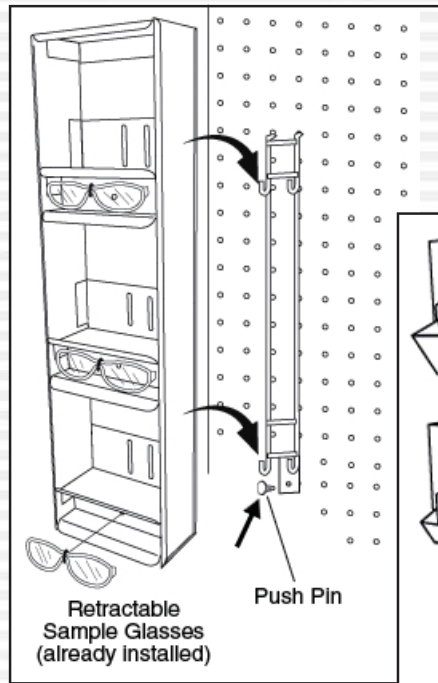

Display is FREE with purchase of 24 Safety Readers - 8 of each power (91191, 91192, & 91193). The display is shipped without eyewear. Both display and eyewear must be ordered.

99.9% UV Protection • Magnifying Power • Great For Woodworkers • Meets or Exceeds ANSI Z87.1

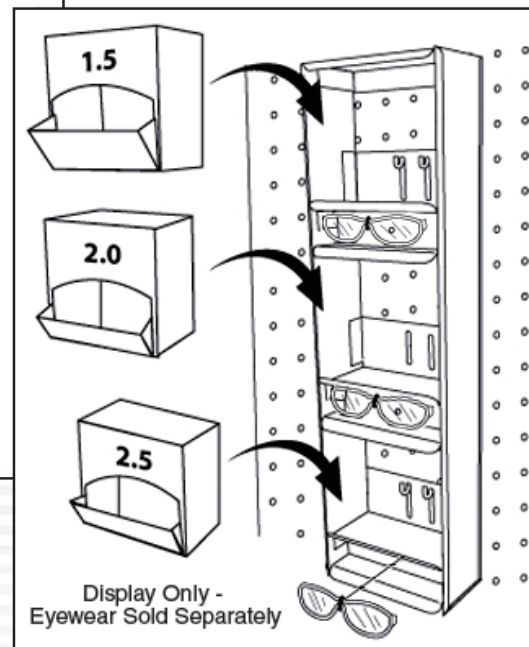

Safety Readers Display

Assembly is Easy!

1. Insert the double hook frame onto the pegboard. Use the push pin to lock in place.
2. Attach the unit by hanging onto the hooks.
3. Ready for product placement.

Display + Safety READERS Product = Increased Sales & Profit!
