

# **NEW** **GMRS/FRS TWO-WAY RADIO HEADSETS** **(FROM PELTOR®, OF COURSE.)**

PowerCom Plus  
with Ambient  
Surround Listening

## **PowerCom and PowerCom Plus: Lots More Choices. Lots More Channels.**

Peltor PowerCom and PowerCom Plus headsets are now available in GMRS/FRS format with 22 channels and 38 sub-channels. And both are compatible with other GMRS/FRS 2-way handheld radios programmed to the same channels.

So now the most convenient way to communicate in noisy environments – completely wireless and self-contained – is more versatile.

Choose PowerCom and PowerCom Plus from Peltor.  
The only two choices – that give you choices.

- 22 Pre-programmed Channels
- Rechargeable Battery Pack
- 38 CTCSS Privacy Tones
- VOX or Cup Mounted PTT
