Introducing Splash GoggleGear for Lexa^{fi} Eyewear

The Lightest,

Splash GoggleGear weighs just 1.8 ozs. significantly less than other splash goggles.

Widest,

The patented ellipsoidal LEXA lens extends the viewing range further, even peripherally.

Most Stylish,

Not bulky like other goggles, Splash GoggleGear has a contoured, low profile design.

Comfortable,

A soft PVC shroud gently hugs the face and is indirect vented to allow cooling air flow and help prevent fogging.

Versatile,

A choice of two lens sizes, two shroud colors, and 10 Easy Change task specific lenses give wearers incredible versatility.

Adjustable,

It's a pantascopic goggle with three lens angle adjustments.

And Reliable

Our exclusive DX Anti-Fog Hard Coat resists fogging, scratching, static and most chemicals.

Splash Goggle

Meets ANSI Z87.1 and CSA Z94.3-99 splash goggle standards.

In The World.

Vent channels at the top and bottom improve air flow and help reduce fogging.

Three lens angle adjustments for custom fit.

Flame retardant elastic band.

DX Anti-Fog Hard Coat.

Made in the USA
