NEW

Econopack. The Best Value on the World's Best Selling Earplugs—E·A·R® Classic®

Bigger Quantity. Smaller Cost.

Based on industry usage studies, it made sense. So E·A·R developed the Econopack, large scale dispenser boxes that hold 500 or 1000 pairs of E·A·R Classic Earplugs. That's more plugs but not more price. In fact, the per pair cost is 20% less than when bought in smaller quantities.

Great Deal. Great Plugs.

E·A·R Classic Earplugs were the first foam earplugs ever. Today, they're still the leading seller across the world because of their outstanding advantages including: Excellent Protection—**NRR 29 dB**; Easy To Use Cylinder Shape; Soft, Foam For All-Day Comfort; Non-Allergenic; Moisture Resistant and Non-flammable.

Two Ways To Buy. Two Ways To Save.

Whatever your needs, Econopack meets them with a choice of 500 corded or uncorded pairs, or 1000 pairs of uncorded product—each individually packaged in polybags. You save with both choices and get the best selling earplugs in the world.

The Econopack of E·A·R Classic Earplugs—another leading advancement in hearing protection.

How to Order
