

# E-A-Rflex<sup>TM</sup> Hi Viz The Hi Viz Flex Advantage.

The comfortable, high profile, multi-position earmuff alternative.

**E·A·R**

# THE Hi Viz GLOW-IN-THE-DARK FLEX ADVANTAGE

(Available March 1, 2000 / Order # 350-1005)

This semi-insert hearing protector provides excellent hearing attenuation for workers wanting a light weight earmuff alternative. Also, the Hi Viz, glow-in-the-dark color provides identification for the wearer in low light or night environments. Even short-term exposure to high-decibel work areas can cause permanent hearing damage, so it's important that all workers are equipped with hearing protection devices. E-A-Rflex™ Hi Viz has been tested in an NVLAP accredited laboratory at an NRR of 25dB in all of its three wearing positions.

Tested in a NVLAP accredited laboratory.

### Octave Band Attenuation Data (db)

Position	NRR	CSA class		125	250	500	1000	2000	3150	4000	6300	8000
Under-the-Chin	25db	AL	Mean	32.7	32.8	34.2	35.2	38.2	45.5	45.5	49.0	48.2
			Standard Deviation	4.2	5.5	5.7	5.7	3.3	3.4	3.4	3.7	4.1
Behind-the-Head	25db	AL	Mean	32.5	32.9	34.1	36.3	37.8	44.7	45.1	46.2	46.3
			Standard Deviation	4.6	5.1	5.6	5.9	4.5	4.0	3.4	3.2	3.6
Over-the-Head	25db	AL	Mean	32.6	31.2	31.8	35.0	36.9	44.1	44.6	47.3	46.7
			Standard Deviation	4.6	5.2	5.4	5.4	3.4	4.3	3.9	4.2	3.7

- Perfect for low/no light applications like airport ground crews, mining and road construction
- Patented Hi Viz color assures visibility and promotes compliance
- The highest level of protection available in a semi-insert hearing protector
- A comfortable, effective, light-weight alternative to earmuffs
- May be worn in any of three positions (Over-the-Head, Under-the-Chin, Behind-the-Head)
- Dermatologically safe plugs are non-irritating
- Worn Under-the-Chin or Behind-the-Head, it will not interfere with hard hats or glasses
- Band and tips make compliance checks easy
- Band for placing around neck helps prevent loss and is ideal for intermittent use
- Lightweight dielectric plastic construction
- Take-apart assembly for easy cleaning
- Replaceable tips reduce overall costs
- Easy insertion with no roll down
