

H10A HI-VIZ EARMUFF

For workers who need to protect their hearing and be extra visible – on road construction sites or other high-risk workplaces – we present the **Peltor Hi-Viz**, a new way to see hearing protection.

The **Peltor Hi-Viz** has a bright neon color, giving wearers the added safety of high visibility. The hearing protector is based on Peltor's many years of experience offering the highest comfort and quality.

Hearing Protection with High Visibility!

The Peltor H10A is now available in Hi-Viz color! It's not only an easy choice - it's also easy to wear, thanks to its functional design and high comfort.

The **Hi-Viz** color makes the H10A HV a perfect choice for:

- ▲ Road Construction Sites
- ▲ Airport Workers
- ▲ Utility Workers

ANSI S3.19-1974 H10A HV
