

# THIS IS BEYOND

Introducing Splash GoggleGear™ for Lexa™ Eyewear.

Splash GoggleGear goes way beyond the standards with a combination of design and performance features not found on any other splash goggle.

# Introducing Splash GoggleGear™ for Lexa™ Eyewear

## The Lightest,

Splash GoggleGear weighs just .06\* kg—significantly less than other splash goggles.

## Widest,

The patented ellipsoidal LEXA lens extends the viewing range further, even peripherally.

## Most Stylish,

Not bulky like other goggles, Splash GoggleGear has a contoured, low profile design.

## Comfortable,

A soft PVC shroud gently hugs the face and has indirect venting to allow cooling air flow and help prevent fogging.

## Versatile,

A choice of two lens sizes and 5 Easy Change task specific lenses give wearers incredible versatility.

## Adjustable,

It's a pantoscopic goggle with three lens angle adjustments.

## And Reliable

Our exclusive DX™ Anti-Fog Hard Coat resists fogging, scratching, static, and most chemicals.

## Splash Goggle

Meets AS/NZS 1337 standards.

## In The World.

\*Splash GoggleGear medium size

Vent channels at the top and bottom improve air flow and help reduce fogging.

Three lens angle adjustments for custom fit.

Flame retardant elastic band.

DX Anti-Fog Hard Coat.
