- NIOSH Approved N95
- Provides >99% BFE Against Wearer Generated Microorganisms per ASTM F2101-01.2001
- Fluid Resistant, Reduces Exposure to Spray, Spatter and Aerosol of Body Fluids
- Latex Free

INTRODUCING PLEATS PLUS®

No other N95 respirator has more wearer-comfort features.

Now there's a comfortable choice in N95 respirators. Pleats Plus from AOSafety is ergonomically designed to not only protect, but to fit, feel and breathe better than other masks. Isn't it time you came face-to-face with the comfort of Pleats Plus?

- **Protection For Health Care Environments. NIOSH-approved.**

Pleats Plus helps protect against microorganisms, dusts, fumes, mists and other solid and liquid particulates not containing oil. *Complies with OSHA Bloodborne Pathogens Standard when worn properly with protective eyewear.*

- **Larger Surface Area = Added Protection + Easier Breathing.**

With up to double the surface area of other masks, Pleats Plus provides more filtering capability with less breathing resistance.

- **Flexes With Mouth Movements - Without Chafing Face or Breaking Seal.**

Unlike stiff shell masks that can chafe the nose bridge and chin, this patent-pending pleated design "moves with conversation" while maintaining an effective seal.

- **"Breathable" Fiber Means Cooler Wear and Reduced Moisture.**

The lightweight filter fiber helps reduce heat and moisture build-up. Mask retains shape longer.

- **Woven, Latex Free Elastic Bands Fit Comfortably. Won't Snag Hair.**

Just the right amount of stretch for a snug, comfortable fit and no painful hassles with hair tangles.

- **Sizes To Fit Wide Range of Facial Profiles - including Small.**

Two sizes are available to fit virtually every face profile.

OSHA Respiratory Protection Standard

OSHA requires a respirator program in any workplace where respirators are used. Refer to OSHA 29 CFR 1910.134 for program requirements.

Product Code	Description	Qty./Box	Boxes/Case
50251-10000	Medium/Large	50	5
50256-10000	Small/Medium Individually Wrapped	25	10
50257-10000	Medium/Large Individually Wrapped	25	10
50261-00000	Medium/Large Individually Wrapped	200	1

WARNING: N95 respirators will help protect against certain contaminants classified as particulate contaminants. This N95 respirator does not eliminate exposure to infection or disease. Misuse may result in sickness or death.
